FROM

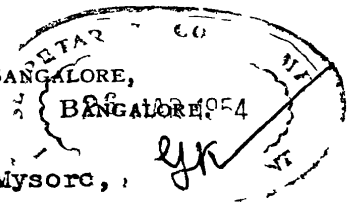
THE COMMISSIONER,
CORPORATION OF THE CITY OF BANGALORE,



To

The Secretary to the Government of Mysore,
L.S.G. & Planning Departments,
BANGALORE

SIR,

I write to state that domplaints are being received from several quarters that mosquito nuisance has increased on account of gardeners using sewage water by putting up bunds across the main sewer . As an instance, a copy of letter received from the General Manager, Mysore Government Road Transport Department, is enclosed for reference.

Corporation cannot take action in the matter against the concerned parties as they produce the endorsement No. nil dated 17-7-1941 issued to them by Government permitting them to use sewage water for cultivation purposes. Unless this permission is withdrawn by Government, the use of sewage water by gardeners cannot be prevented. In the interest of general public Health, it is requested that the Government may kindly be moved to withdraw the permission granted to the Gardeners to use sewage water for cultivation purposes

Yours faithfully,

(M.R. GOVERDHAN)
COMMISSIONER I/C.

---

I write to state that the occupent of the adjacent land has always been in the habit of obstructing the ~~s~~sewage water flowing in the canal between the Bangalore Transport Company and the Mysore Government Road Transport Department Thus creating imminent public nuisance and emnating very bad smell, practically unbearable. If such state of affairs is permitted to be continued, the Employees of this department as well as Messrs Bangalore Transport Company will naturally be the victims of contagious disease. I, therefore, in the interest of the employees of these Departments as well as the residents of the locality, request you kindly to take such necessary action as you deem fit in this matter early

ORDER NO.L. 14942-6/CM 119-54-2

Dated, Bangalore, the 12-3-55

It is reported that complaints are being received from several quarters that mosquito nuisance has increased on account of the gardeners using the sewage water for cultivation purposes by putting up bunds across the main sewers. The sewage water thus tapped is spread over large areas on either side of the main sewers. These areas which are emitting bad smell have become sources for mosquito breeding.

2. In the interest of the health of the general public, Government are pleased to approve of the recommendation of the Commissioner Corporation of the City of Bangalore, and to direct that no sewage water be tapped and used for agricultural purposes. The Commissioner Corporation of the City of Bangalore, is requested to take immediate action to prevent such use of sewage water hereafter.
